The specifications, dimensions, and appearance of the product as described are accurate as of May 2024. We reserve the right to make changes to the equipment, technical specifications, standard features, and prices. Minor variations in colour and texture may occur due to the nature of the materials used (e.g., slight colour differences of up to approximately 2.0 dE between metal and GRP/plastic paints) and are considered acceptable. Additionally, there might be slight discrepancies in colour between the images in this brochure and the actual vehicle due to printing limitations. Before purchasing, we advise getting detailed advice from an authorized dealer about the current model specifics. Note that some images may depict optional features that are not included in the standard package and may incur additional costs, or prototype features that are not available as options.

Standard equipment

(dependent on the layout)
